

44th ANNUAL GENERAL MEETING OF ENGINEERS' UNION

Date : Friday 30th September 2022
Venue : The Grand Ball Room, The Jie Jie Beach, Panadura.

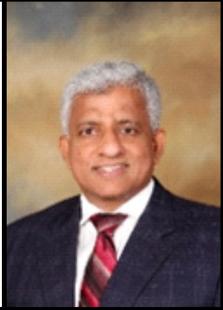

AGENDA

- 08.30 a.m. - Arrival & Registration of Members.
- 09.00 a.m. - Notice of Convening the AGM.
- 09.05 a.m. - National Anthem.
- 09.10 a.m. - Minutes of the 43rd AGM and Confirmation of Minutes.
- 09.20 a.m. - Presidential Address.
- 09.40 a.m. - Launching the new website for the Engineers' Union (www.nwsdbeu.lk)
- 10.00 a.m. - Annual Accounts for the Session 2019/2020
- 10.15 a.m. - Election of New office Bearers for the Session 2022/2023.
- 10.40 a.m. - Raffle Draw.
- 11.00 a.m. - Resolution & Discussions.

AGENDA FOR CEREMONIAL EVENT

- 11.30 a.m. - Arrival of Guests & Lighting Oil Lamp, Two minutes Silence for remembering the past members, National Heroes and War Heroes.
- 12.00 p.m. - Welcome Speech by the Newly Elected President.
- 12.10 p.m. - Speech by the General Manager.
- 12.20 p.m. - Speech by the Chairman.
- 12.30 p.m. - Speech by Secretary to the Ministry.
- 12.40 p.m. - Presenting of Souvenirs to past Members.
- 12.55 p.m. - Vote of Thanks by the Secretary.
- 13.10 p.m. - Fellowship.

MESSAGE OF THE CHAIRMAN,
NWS&DB

It gives me great pleasure to submit a message on the occasion of the 44th Annual General Meeting of the Engineers' Union of the National Water Supply & Drainage Board.

The National Water Supply & Drainage Board is the premier organization tasked to provide total water and sanitation services for the entire country over the past several decades.

The Engineers of the NWSDB have fulfilled their assigned tasks professionally and most efficiently to meet the targets to enhance the service coverage, meeting the ever-increasing demand to provide clean drinking water and efficient sewage systems nationwide, a task which has not been easy to fulfill with the ever-increasing population and rapid industrialization.

These challenges have been met despite the various shortcomings faced by way of poor quality of water sources for which high-cost water treatment material was a requirement amidst limited fund availability and other factors not conducive to efficient work output. The NWSDB Engineers have performed creditably to meet all the needs of the organization, for which I am ever grateful.

I am happy to mention that I have noted a remarkable change of attitude of these professionals during the recent past, when working with other employees of the Board, which is a significant factor when working towards one common goal of the organization.

I acknowledge the role played by the Engineers of the NWSDB and commend its Engineers' Union for discharging their duties with responsibility and commitment and wish them every success in their future endeavors.

Nishantha Ranatunga
September 2022

MESSAGE OF THE GENERAL MANAGER, NWS&DB

Over the past few years the country has experienced unprecedented challenges and faced with volatile economic conditions which had a direct impact on the NWSDB. Initially it was the Covid Pandemic which brought in an extremely unpredictable and unimaginable situation. Subsequently, the situation got worsen with deterioration of the economic and political situation in the country. The NWSDB in it's entire history has never faced such challenging and volatile situations.

The NWSDB as an essential service has to provide fundamental service requirement of provision of drinking water supply which was the essential requirement to fight the pandemic. As the NWSDB activities spread over the entire island the challenges faced by us was even more complex. Maintaining continuous water supply to hospitals and Covid centers was considered to be a key contributing factor in fighting the Pandemic. Households too were heavily dependent on domestic pipe bore water supply to maintain cleanliness to keep the Covid epidemic at bay.

When the entire country was fighting the unforeseen and hidden enemy, the NWSDB bravely faced the challenge and stood up to the expectation of the people of Sri Lanka. The NWSDB in the time of need, did never let down the people of our motherland.

Then during the recent economic downturn and political instability the NWSDB showed resilience and manage to maintain and continue with water supply services across the country without interruptions.

The NWSDB has to grapple with escalating cost of chemicals, electricity, fuel cost and transportation constrains to provide continuous service. Furthermore, importation of required chemicals, water meters, connection materials become unprecedented challenge due to the foreign currency constrains and escalating freight charges. However, in the face of this grave economic and political uncertainty the focus of NWSDB was to manage the water supply services at a highest level of quality fulfilling the quantity requirements. The NWSDB during these adverse situations has never been criticized by the public and was managed to maintain the goodwill with public and higher authorities.

In this background, I would like to extend my sincere appreciation and gratitude to all the Engineers who gave the leadership at the senior management level, at the middle management level and at the operational level for their unflinched commitment and dedication shown by them during the gravest moment in the history of country since independence.

The high quality and the caliber of the Engineers was vividly expressed and showcased through the commitment to their duty as they upheld their Professional Charter "*Art of Utilizing the Great Sources of Material and Power in Nature for the Use and Convenience of Man*".

Furthermore, I would like to extend my sincere appreciation to other professionals such as Finance, HR, Audit, Legal, Commercial, Laboratory Services, Ground Water, RWS and other Support Services for working closely with the team of Engineers towards the common goal for providing and managing continuous water supply to ensure high level of living standards and social welfare of people of Sri Lanka.

The Engineers together with other professionals and the entire staff down to the field level, fearlessly worked as a team with an utmost commitment and dedication and proved to the entire country, that the NWSDB is the *most prestigious utility organization of Sri Lanka exhibiting technological and service excellence* facing adversity of the highest degree.

I am sure that after facing all these challenges, our Engineers have endowed with a golden opportunity to build their characters and to become stronger than ever. Engineers are well geared to face any challengers in the future as well. We have now become even more resilient and committed. Even during these adverse conditions we have achieved many milestones for the first time ever in the history of the NWSDB through collaboration and team work. We have given around 200,000 water connections and Planning & Design have completed Rs. 300 billion worth of design activities. We have established Centre of Excellence for Water and Sanitation (CEWAS) and planning to have an international water conference in December 2022 through which the NWSDB will cross the borders and enter the international arena.

As Engineers we stand stronger to convert the adversity towards success and turn most difficult periods to the golden era of the history of NWSDB.

We have proven and showcased the class, quality and the caliber of NWSDB Engineers for the entire country. Congratulations !!!

I wish the Engineers Union success in all their endeavors.

Thilina S. Wijethunga

September 2022

MESSAGE OF THE PRESIDENT OF ENGINEERS UNION

It is with great pleasure and satisfaction that I issue this message on the event of 44th Annual General Meeting of Engineers' Union as the president who took over the duties of presidency since 2020 from the elected President at the 43rd Annual General Meeting Eng. D.P.M.Chandana.

The Water Board which falls under essential services is a vital organization for providing drinking water to the public. The engineers realizing this noble truth are trying their best to deliver the services to the best of their capacity. Despite the difficulties and issues such as the global pandemic crisis Covid-19 and economic setbacks of the country, we, engineers maintained the continuity of our services to public and we should continue that attitude giving example to other similar organizations.

We have to go a long way to win our rights, but we should not forget our obligations. We, engineers must take an initiative to work with the management for the benefit of our membership and the organization for the development of the country. I believe our efforts these past years have begun to lay a foundation upon which a great union will continue to be built in years to come.

I take this opportunity to thank specially the Executive Committee for their active and remarkable contribution and all our members who were always with the positive approach encouraging and guiding the Executive Committee at every critical situation we had to face. I also would like to appreciate the support given by the Chairman, the General Manager and the higher management of the NWSDB to solve the issues pertaining to our membership as far as possible.

Also, I wish all the success to the forthcoming Executive Committee in our future activities to uplift the NWSDB while safeguarding the rights and moral obligations of our membership.

Ananda Munasinghe

Appreciation to Retired Engineers

Eng. R.H. Ruvinis

(1984-2020)

Eng. R.H. Ruvinis obtained his Bachelor of Science (Civil Engineering) Degree from the University of Moratuwa in 1983. Then he obtained Postgraduate Diploma in Applied Hydrology from the University of Moratuwa, Diploma in Regional Industrial Development (RIDE) conducted by NIBM in 1994, Master of Business Administration (MBA) from University of Sri Jayawardenapura in 1999. He is a Fellow of the Institution of Engineers Sri Lanka and Member of Institute of Engineers, Australia. Eng. R.H. Ruvinis joined the NWSDB as a Civil Engineer in April 1984. Successively he served in various positions such as Resident Engineer 1984-1988, Engineer (P&D) 1988-1989, Chief Engineer (P&D) 1989-1999, Assistant General Manager (Construction) 1999-2007, Project Director (Towns North of Colombo Project) 2007-2011, Deputy General Manager (RSC-Southern) 2011-2012, Deputy General Manager (Planning & Designs) 2012-2016, Additional General Manager (Southern/Eastern) 2016-2017, Additional General Manager (Water Supply Projects) 2017-2019, and appointed as a General Manager in August 2019 which post he held until he retired from NWSDB in October 2020 serving the Board for more than 36 Years.

Eng. U. Ratnapala

(1989-2019)

Eng. U. Ratnapala obtained his Bachelor of Science (Civil Engineering) Degree from the University of Moratuwa in 1981. Then he obtained Postgraduate Diploma in Engineering (Hydraulic Engineering), University of Moratuwa, Postgraduate Diploma in Financial & Business Administration in Institute of Chartered Accountants and Diploma in Public Procurement and Contract Administration in SLIDA. He is a Fellow of the Institution of Engineers Sri Lanka. He started his carrier in Design Engineer/Site Engineer in various places from July 1986-Oct. 1989. After that he joined NWS&DB as a Project Engineer (USAID) in Nov. 1989. Successively he served in various positions such as Deputy Resident Engineer: 1991-1995, Resident Engineer 1995-1996, Chief Engineer (Sewerage/Planning & Monitoring) 1996-2003, Deputy Director (Water Sector Reforms), Ministry 2003-2004, Assistant General Manager (RSC North Central) 2004-2005, Assistant General Manager (Planning & Designs) cum Project Director (Eastern Province Water Supply Development Project) 2005-2014, Deputy General Manager (RSC-Western North/RSC (East) 2014-2016, Deputy General Manager (Project Coordination) 2016-2018, Deputy General Manager (Planning & Designs) 2018-2019 and appointed as an Additional General Manager (Corporate Services) in September 2019 which post he held until he retired from NWSDB in December 2019 serving the Board for more than 30 years and overall 33 years serving as Engineer in different organizations and different position throughout his carrier.

Eng. S.G.J. Rajkumar

(1983 -2020)

Eng. S.G.J. Rajkumar obtained his B.Sc. (Civil Engineering) Degree from the University of Peradeniya in 1983. Also obtained M.Sc. in Sanitary Engineering from IHE, Delft, Netherlands in 2002 and Msc in Environment & management from university of Moratuwa in 2005 . He is a Fellow of the Institution of Engineers Sri Lanka. Eng. S.G.J. Rajkumar joined the NWSDB as a Civil Engineer in February 1985. Successively, he served in various positions such as Asst. Resident Engineer: 1985-1987, Planning & Designs Engineer: 1987-1991; Chief Engineer (O&M): 1991-1995; Chief Engineer (RWS): 1995 to 2000; Chief Engineer (ADB WS&SP 2002-2003; AGM (Sewerage): 2003-2009, and AGM (Surface water Development): 2009 -20011, DGM positions in Development section: 2011-2017, Addl.GM (Northern & Central): 2017-2020. He held Secretary and President of Engineer's Union 1986 & 2000 respectively. In addition to that he had published many research papers and retired from the NWSDB in September. 2020 serving the Board for 35 years.

Eng. T.W.S. Perera

(1986-2021)

Eng. T.W.S. Perera obtained his B.Sc in Civil Engineering degree from the University of Moratuwa in 1985. Further, he obtained Master of Development Studies & Management in University of Colombo Sri Lanka and Diploma in Public Procurement and Contract Administration from Academy of Financial Studies, Ministry of Finance and Planning Sri Lanka. After serving a period of 09 months for Central Engineering Consultancy Bureau (CECB), Eng. T.W.S. Perera joined the National Water Supply & Drainage Board (NWSDB) in December 1986 as a Civil Engineer. He worked in several disciplines like NRW Management, P&D, Construction, O&M, Procurement as an Engineer, held positions such as Engineer Leak Detection in RSC (Greater Colombo), Engineer (Planning & Coordination) RSC (Southern), Engineer (Planning & Design) Head Office. Then he promote as a Chief Engineer 1994 and work as Chief Engineer (Southern) until 2001. Then he worked as Project Director (Greater Galle Water Supply Project (Stage-1 & Stage-2 – 2002-2006). He promoted as Assistant General Manager in 2006 and worked as Assistant General Manager (Southern) until 2006. Then he promoted as a Deputy General Manager in year 2014 and worked as DGM (Southern), DGM (Western-South) & DGM (Central) during the period of year 2014 to 2018. In year 2018 he promoted as Additional General Manager (Western), in year 2019 he transferred as Additional General Manager (WSP). He worked same position until he retired September 2021. He was an active Executive Committee Member of the Engineers' Union for several years. In addition, he served in many technical committees. Engineer T.W.S. Perera Successively, served in various positions in various part of Sri Lanka as a Great Engineer of National Water Supply & Drainage Board and retired in year 2021 after serving more than 35 years.

Eng. N.H.R.Kulanatha

(1984- 2021)

Eng. N. H. R. Kulanatha obtained his B.Sc in Civil Engineering (Hons) degree from the University of Moratuwa in 1983. He also obtained a PG Dip in Environmental Engineering in 1987 and a Diploma in Construction Management in 1994 from the University of Moratuwa. Furthermore, he obtained a Diploma in Project Management and Administration from Niels Brock Copenhagen Business College, Denmark in 1994. He also obtained an M.Sc. in Urban Infrastructure specialized in Water Supply Engineering from IHE, Delft, Netherlands in 2004. He is a Fellow of the Institution of Engineers Sri Lanka. Eng. N. H. R. Kulanatha joined the National Water Supply & Drainage Board (NWSDB) in April 1984 as a Civil Engineer. He worked in several disciplines in the Water Supply and Sanitation Sections. Successively, he served in various positions such as Engineer, Chief Engineer -1992, AGM (corporate planning) : 2002-2004, Project Director (Kandy City Wastewater Disposal project: 2004-2007), Project Director (Colombo sewerage Rehabilitation Project :2007-2010), Project Director/DGM (Rathmalam/Moratuwa and Jaela/Ekala Wastewater Disposal Project: 2010-2017). He became Addl. General Manager (Southern/East) in 2017 and Addl. General Manager (Sewerage) in 2019. In addition, he served in many technical committees and retired from the service of NWSDB in February 2021, having served the Board for more than 37 years.

Eng. R.A.A. Ranawaka

(1993- 2021)

Eng. R.A.A. Ranawaka obtained his B.Sc in Civil Engineering (Hons) degree from the University of Moratuwa in 1985. Also obtained PG Dip. in Environmental Engineering & Management from University of Moratuwa, Sri Lanka and Diploma in Public Procurement and Contract Administration from Academy of Financial Studies, Ministry of Finance and Planning Sri Lanka. He is a Fellow of the Institution of Engineers Sri Lanka. After serving 08 years for Mahaweli Authority of Sri Lanka, Eng. R.A.A. Ranawaka joined the National Water Supply & Drainage Board (NWSDB) in 1993 as a Chartered Civil Engineer. Successively, he served in various positions such as Area Engineer (Maharagama) - June 1993 to January 1999, Chief Engineer (Cooperate Planning) January 1999 to August 2002, Manager (Construction/ Procurement & Billing) August 2002 to January 2007, Acting Project Director TNC Project Jan.2007 to Jan.2008, AGM (T&C) Jan. 2008 to Jan. 2017, Project Director SHIFT & Moratuwa/Ratmalana and JaEla/Ekala Jan. 2017 to Jan. 2021, Addl. General Manager (Corporate Services) Aug. 2020 to Jan. 2021, He was the vice President of the recreation club for several years. In addition, he served in many technical committees and retired from the service of NWSDB in January 2021 serving the Board for 28 years.

Eng. J.K.S. Pathirana

(1985-2020)

Eng. J K S Pathirana obtained his Bachelor of Science (Hons) Engineering degree from the University of Moratuwa in 1985. He obtained a Post Graduate Diploma in Hydraulic Engineering from the University of Moratuwa in 1992. In 1999, he also earned an MSc (Sanitary Engineering) in Delft, Netherlands. He obtained Corporate Membership of IESL in the year 1991.

Eng.J.K.S. Pathirana began his career as a Civil Engineer at CECB and only stayed for a few months. He joined the NWSDB as a civil engineer on 15th August 1985. Successively, he served in various positions such as Engineer (O&M – Galle), District Engineer (O&M – Hambanthota), District Engineer (O&M – Matara), Project Engineer ADB (2nd), Chief Engineer (1993-2003), AGM (P&D–Sewerage) (2003-2014), DGM (Southern)(2014-2019) , Addl GM (Southern/East) (March 2019- July 2020) . He retired from NWSDB in July 2020 after serving the board for 35 years.

Eng. S.S. Devaraja

(1981 – 2019)

Eng. S.S. Devaraja obtained his Bachelor in Technology in Civil Engineering- Open University of Sri Lanka. Then he obtained Postgraduate Diploma in Environment Management- University of Kelaniya, MSc in Environmental Engineering & Management- University of Moratuwa, and Master of Development Studies- University of Colombo. He is a Corporate Member of

The institute of Engineers, Sri Lanka. Eng. Devaraja joined the NWS&DB as a Regional Engineer in March 1990. Successively, he served in various positions such as Civil Engineer: July 1993 to April 2000; Chief Engineer (Construction): May 2000 to November 2002; Chief Engineer (NRW): November 2002 to August 2011; Assistant General Manager: September 2011 to December 2017; and appointed as Deputy General Manager in January 2018 which post he held until he retired from the NWS&DB in October 2019 serving the Board for more than 29 years.

Eng. W.N. Premasiri

(1993-2021)

Eng. W.N. Premasiri obtained his B.Sc Civil (Engineering) Degree from the University of Peradeniya in 1984. Also obtained Post Graduate Diploma in Water Resources Engineering & Management from University of Moratuwa in 1999. He is a Member of IESL. Eng. W.N. Premasiri joined the NWSDB as a Civil Engineer in May 1993. Successively, he served in various positions such as Assistant Resident Engineer (1993-1998), Senior Engineer (O&M) 1998-1999, Chief Engineer (Sector Planning): 1999-2004; Chief Engineer (Construction):2004-2007; Manager (O&M):2007-2009; Chief Engineer (Planning & Coordination): 2009; AGM(P&D): 2009-2011; Project Director (KGWSP): 2012-2013, AGM(Sub): 2013-2019; DGM(Production): 2019-2021. He retired from NWSDB in November 2021 serving the board for 28 years.

Eng. Ms. T.D. de Silva

(1985 – 2021)

Eng. Ms. T.Dhammika de Silva obtained her Bachelor of Science Engineering degree from University of Peradeniya in year 1984. Eng. Dhammika joined the Mahaweli Economic Agency as a Civil Engineer in 1985. Then, she started her career in CECB as a Site Engineer, then Design Engineer and Resident Engineer in various places from January 1986 to June 1993. While she is working in CECB, she obtained the Corporate Membership of The Institution of Engineers, Sri Lanka in year 1990. After that, she joined NWS&DB as an Engineer (O&M) in July 1993. Successively, she served in various positions such as Chief Engineer (P&D): March 2001 to September 2008; Manager (O&M): October 2008 – April 2011; Chief Engineer (Construction): April 2011 to September 2016; AGM (Matara) PD (KBWSP) (Covering): September 2016 to December 2017; AGM (NC): January 2018 to February 2019; and appointed as AGM (Ratnapura) in February 2019 which post she held until she retired from the NWS&DB in September 2021. She obtained Fellow Membership from IESL in year 2019. She served to the Board for more than 28 years and overall, 36 years serving as Engineer in different organizations and different position throughout her career life.

Eng. Prathiraja Ramawickrama (1991-2021)

Eng. Prathiraja Ramawickrama qualified as a Civil Engineer from the Institution of Engineers, Sri Lanka in 1990. He also obtained a PG Diploma in Construction Project Management from the University of Moratuwa (1998/99) and PG Diploma in Environment Engineering & Management from the University of Moratuwa (2011/2013). He is a Corporate Member of the Institution of Engineers, Sri Lanka since 1997.

Eng. P. Ramawickrama was appointed as a Civil Engineer in 1991. He served in various positions such as Civil Engineer (Production), Project Engineer (Ambatale JICA Project), Planning & Designs Engineer, Resident Engineer (Ratmalana Moratuwa Sewerage Project), Chief Engineer (NRW), Chief Engineer (Construction), Project Manager (Colombo), Chief Engineer (P&D – Western North), Regional Manager (Towns North of Colombo), AGM (Western Production), Project Director (Towns North of Colombo WSP, Stage II), AGM (Western South), Project Director (Katana WSP Stage I), DGM (Eastern Province) and DGM (Western North). He has served as a Member and Regional Coordinator of the NWSDB Engineer's Union. During his long service in the NWSDB, before being appointed as a Civil Engineer, he has provided his services for the Construction and O&M of Matara Group Water Supply Project and Tangalle WSS. He has given his maximum contribution to complete his Projects successfully and to ensure water supply facility during crisis and critical situations also.

Dr. (Eng.) H.M. Abeykoon Bandara (1981-2019)

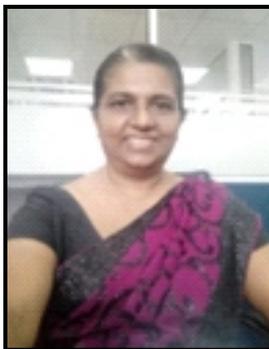

H.M. Abeykoon Bandara joined the NWSDB in 1981 as a Technical Assistant. Having achieved engineering qualifications through GTO and City & Guilds (London) examinations, he was promoted as a Civil Engineer in the year 2001. He worked as an Engineer (Construction) at RSC (Central) from 2001 to 2006. Then from 2007 to 2012 worked as Senior Engineer (Planning and Design) in RSC (North Western) Office. In the year 2010, he managed to get his post-graduate degree in MBA from the Wayamba University of Sri Lanka. Later he worked as a Visiting lecturer as well as a Research supervisor and an Examiner of the MBA program in the same university. He was promoted to the post of Chief Engineer in the year 2012 and worked as the Manager (Kotte) till his retirement. He managed to introduce many creative elements and made the office of the manager (Kotte) the best office of the board and won the highest position in Sri Lanka in the National Productivity Competition in 2018. During that time, he has also served as the Vice President of the Engineers Union of NWSDB for several years. He retired from the Board service on 24th of December, 2019. In the year 2021, he was able to obtain a Doctoral degree in business administration (PhD) from the IIC University of Technology, Cambodia.

Eng. Sivaguru Vipulanandan

(1992-2020)

Eng. Sivaguru Vipulanandan obtained his Bachelor Science Engineering degree from University of Moratuwa in 1991. He started his engineering carrier with Engineering Consultant Limited and worked for one year there subsequently he joined NWSDB in July 1992. In NWSDB, he first placement was in the Greater Colombo Regional Support Centre. He got transfer to the NWDB Head office to obtain his Corporate Membership in IESL. Successively, he served in various sections in the NWSDB's head office until his retirement in July 2020. He was the first Chief Engineer (Documentation) in NWSDB and the first Procurement and Contract Specialist. He participated in various arbitrations and adjudications involving NWSDB since 2000. While serving in NWSDB, he obtained his post-graduate Master degrees from university of Moratuwa and University of Colombo in Construction Project Management and Business Administration respectively. He is a diploma holder in commercial arbitration from Institute of Commercial Law and Practice(ICLP) and in Adjudication from Construction Industry Development Authority(CIDA). He was invited to make a presentation in Berlin, Germany in 2019 as a guest speaker in one of the annual workshops of Dispute Board Resolution Foundation(DBRF). At the time of his retirement, he was attached to the Water Supply Project Division and discharged his duties as Deputy General Manager (Project Co-ordination) overseeing 19 water supply projects. He served the NWSDB from 02-07-1992 to 30-07-2020, totaling more than 28 years in a stretch.

Eng. D.M.L.C. Pitawala

(1991 - 2021)

Eng. D.M.L.C. Pitawala obtained her B.Sc. (Civil Engineering) Degree from the University of Moratuwa in 1985. Also obtained M.Sc. in Environmental Engineering from Aalborg University Denmark in 2007. She is a Corporate Member of the Institution of Engineers Sri Lanka. Eng. D.M.L.C. Pitawala joined the NWSDB as a Civil Engineer in May 1991. Successively, she served in various positions such as Planning & Designs Engineer: 1991-1993, Asst. Resident Engineer (Maharagama Jubilee WSP): 1993-1994, Documentation Engineer (Beira Lake Restoration Project): 1995-1997, Chief Engineer (Beira Lake Restoration Project): 1997-2001; Chief Engineer (Mapping): 2001 to 2005; AGM (Corporate Planning): 2007-2013, AGM (Development in RSC- WC): 2013 -2015, AGM (R&D); 2016-2018 and DGM (Development): 2018-2021. She retired from the NWSDB in June 2021 serving the Board for 30 years.

Eng. I.D Wijesiri

(1981 – 2021)

Eng. I.D Wijesiri joined the NWSDB as an Engineering Assistant (Civil) in November 1981. While he was serving in NWSDB he obtained IESL Engineering Qualification in Civil Engineering in 1992 and became a Cooperate Member of IESL in 2006. He also obtained PGD in Construction Management from University of Moratuwa in 2008 and PGD in Environment Engineering and Management from University of Ruhuna in 2016. Successfully, he served in various positions such as Engineering Assistant 1981- 1994, Project Engineer (JICA Project Ambatale) 1995 – 1997, Area Engineer (Moratuwa – Panadura) 1998 – 1999, Planning and Design Engineer 2000 -2002, Senior Project Engineer (Greater Galle Water Supply Project 2003- 2007), Manager (O&M) – Hambantota 2008- 2012, Manager (O&M) - Galle 2013-2016, Assistant General Manager / Project Director (Matara Stage IV WSP) 2017 -2021. In addition to that he severed as a committee member of IESL (Ruhuna Chapter) 2015-2017 and publish research papers for Local and International Conference related with Water Safety Plan. He retired from NWSDB on 2021 serving 40 years.

N. Aathmarasa

(2003-2020)

Eng : N. Aathmarasa obtained his B. Sc. Eng (Civil) degree from the University of Peradeniya in 1985. He is a Coporate Member of the Institute of Engineer in Srilanka from 1994. Eng: N. Aathmarasa joined NWSDB as a Chief Engineer (Contract Basis) in July 2003 for Integrated Coastal Towns of Ampara District Project till December 2007. Consequently he served in various positions in NWSDB such as District Engineer (Batticaloa) January 2008 to June 2011, Chief Engineer (RSC - North) June 2011 to June 2018 and Assistant General Manager (Research & Development) June 2018 until retirement in December 2020. After graduation he served mainly in Road Sector (RDA, RCDC) in various positions such as Civil Engineer and District Manager from 1986 to 1995, then worked in overseas (Brunei) from 1996 to end of 1997 and many foreign funded projects (World Bank, ADB, JICA) in various positions such as Senior Engineer and Resident Engineer from 1998 to June 2003

Eng. P.A.M. Sumanasekara

(1981-2020)

Eng. P.A.M Sumanasekara joined NWSDB as Technical Assistant 1981. He obtain N.C.T (civil) certificate from University of Moratuwa in 1987. He worked in Echelon Square Development Project in (1982-1985). Under this project he proud to say that he could provide main water connections to B.O.C headquarters, Galadari hotel & Echelon Towers by laying water main using direct labour force. Then he worked in Panadura WSS (1986-1994) as Engineering Assistant. After he worked Assistant OIC of Homagama WSS (1994-1996) and gets promoted as OIC (Pannipitiya) WSS (1996 -2000). After having promotion as Civil Engineer he assigned to C.M.C taking over scheme as Operation Engineer from 2001- 2009 , then transferred as Area Engineer (Maharagama) from 2009-to 2012 , After he got Chief Engineer promotion on 2012 and worked as CE (P&C –RSC UVA) Operation Manager (Monaragala) and finally Chief Engineer in P&C – RSC (WN). Eng.P.A.M Sumanasekara held Vice President of Engineers' Union 1992 & 2016 to 2020.He retired on June 2020 from RSC (western north) after 39 years' service to NWSDB.

Eng. G.G. Ramya Chandani

(2005- 2021)

Eng. Ms. Ramya Chandani obtained her B.Sc in Civil Engineering (Hons) degree from the University of Peradeniya in 1983. After the graduation Eng. Ms. Ramya Chandani joined Road Construction & Development Company (RC&DC) as a Civil Engineer. She worked in several positions like Site Engineer, Bridge Engineer, Civil Engineer (O&M), Design Engineer and Senior Engineer at RC&DC and delivered her service up to September 2005. Then, Eng. Ms. Ramya Chandani joined the National Water Supply & Drainage Board (NWSDB) in September 2005 as a Civil Engineer and served until February 2008 under Basis Contract. Eng. Ms. Ramya Chandani designated as Civil Engineer (Permanent) in February 2008 and served in various positions such as Area Engineer (Beruwala & Payagala) from Feb 2008 to August 2016, Acting Chief Engineer (RWS) from August 2016 to September 2018. She became Chief Engineer (Co-ordination) at RSC- WC in September 2018. She retired from the service of NWSDB in November 2021 while serving to the Board for more than 16 years.

2019/2020**

TO THE MEMBERS OF THE ENGINEERS' UNION - NATIONAL WATER SUPPLY & DRAINAGE BOARD
REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Engineers' Union - National Water Supply & Drainage Board ("the Organization"), which comprise the statement of financial position as at March 31, 2020, and the statement of income & expenditure and statement of receipts & payments for the year ended, and a summary of significant accounting policies and the other explanatory notes.

In our opinion the accompanying financial statements give a true and fair view of the financial position of the Organization as at March 31, 2020, and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Statement of Recommended practice for not-for-profit organization.

Basis of Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements of the Code of Ethics issued by CA Sri Lanka (Code of Ethics) that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The office bearers are responsible for the preparation and fair presentation of these financial statements that give a true and fair view in accordance with statement of recommended practice for Non-for-Profit Organization, and for such internal control as the office bearers determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, the office bearers are responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is an assurance of high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement which it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibility for the audit of financial statements is located at Sri Lanka Accounting and Auditing website at: <http://www.slaasc.lk/auditing/auditorsresponsibility.php>
This description forms part of our auditor's report.
